---

Trainer name is P. Ranjan Raja. He is honor of [www.ruchiwebsolutions.com](http://www.ruchiwebsolutions.com) and he has 12 years of experience in real time programming.

### Trainer Profile (Name: P.Ranjan Raja)

I am **Ranjan** master degree in computer from Utah State University, USA. I am part of Ruchi web solutions in Hyderabad, India. I have total 12+ years of experience in PHP and mysql with drupal, joomla and wordpress and codeignitor. I have developed 200 dynamic website till now on php/mysql and codeignitor. I have 8 years of experience in Online and class room training. I already gave the training to some of the corporate company from UK, USA, Malaysia and India in PHP, mysql and codeignitor. I have worked with international clients based in USA, UK, Canada, Netherlands, Australia, Italy, Ireland, France etc. I have worked on many different projects - ranging from small software to complex web applications.

I have a training Institute in Hyderabad with the name "**Complete Lamp Institute**" in Dilsukhnagar, Hyderabad, AP, India. I have already given training of 1000 Students till now, and all working in MNC and Software web Development Company.
